Recommended Use

Use for daily or deep cleaning on all Nydree Flooring as well as other wood surfaces. This cleaner will also clean other hard floor surfaces such as tile, laminate and stone.

Directions

1. Vacuum, sweep or dust mop flooring.
2. Spray surface and wipe with a microfiber cleaning pad/mop or towel.
3. For stubborn areas or stains allow the cleaner to stand for up to two minutes.
4. Some areas may require scrubbing with a brush or pad.
5. Blot stains with a clean towel and allow to dry.
